

# CLEARBLAST® CB150

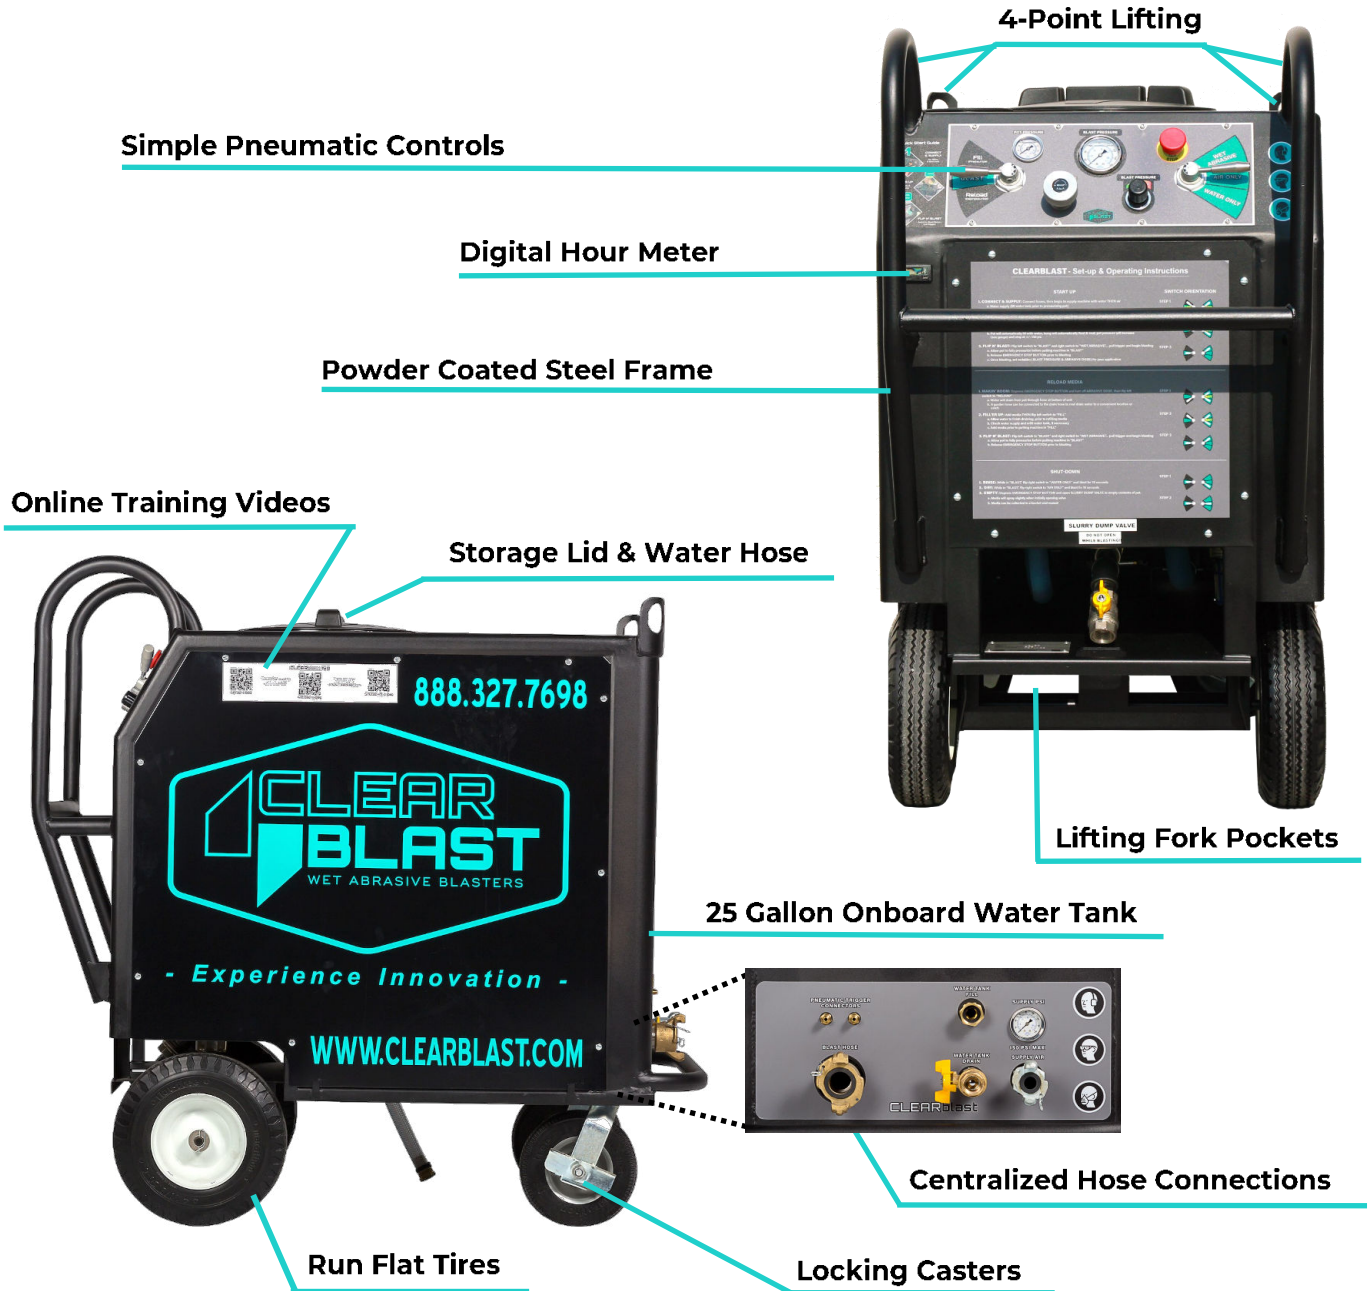

**Experience. Innovation.**

Fight corrosion and restore beauty in all of your surface preparation jobs with the CLEARBLAST® 150. It's superior design, derived from a team that has been in the industry for over a decade, brings you unrivaled efficiency, a quick and easy setup and ultimate portability. Drive your cost of operation way down & maximize profits every time you pull the trigger. The CB150's intuitive controls allow you to go from zero to blast in just 5 minutes! Greatly reduces material cost using just 50-75lbs. of abrasive PER HOUR while maintaining performance needed to blast away heavy rust & coatings at incredible rates! Containment needs and residual mess are kept to a minimum, thanks to expelling just 3 gallons of water per hour while blasting.

The choice is CLEAR!
